

Site Joiner Apprenticeship/Trainee Opportunity with **SIMPSON**

SIMPSON are looking to offer an opportunity for someone to join our site team, develop their skills and achieve their qualifications as a site joiner with our experienced trades people.

We are looking for an individual who is passionate about Carpentry & Joinery, and is committed to having a career in construction. We will offer them the on-site experience and mentoring to allow them to achieve their full Level 3 NVQ Advanced Craft Qualification, and support them in their college studies.

- Are you passionate about your skills and trade?
- Are you committed to working and studying hard to achieve a great future?
- Are you aware of your responsibilities to Health & Safety and the Environment?
- Would you like to join the **SIMPSON** team?

If you would like to be considered for this great opportunity with **SIMPSON**, please and tell us why you are the best person for our job.

Closing date for applications 16 February 2018
