

## **HSQE Advisor: Dunnington, York.**

We are looking to recruit a HSQE Advisor to work as a part of our HSQE team focusing on Health, Safety, Quality and Environmental Management.

Simpson is a family run business based in Dunnington, York. Our expertise covers a wide range of sectors within the construction industry, from Fit-Out, Construction and Developments, to Heritage and Bespoke Joinery. Our construction and heritage activities are undertaken within Yorkshire & Northeast, with a full UK coverage for fit-out projects. Projects can range from £1.5m - £10m+.

The successful candidate will play a crucial role in ensuring compliance with health and safety legislation while promoting a culture of safety within the organisation. This position requires strong interpersonal skills and the ability to communicate effectively across various levels of the company.

### **Role & Benefits**

- Full time
- Competitive Salary
- Hybrid remote working York, Monday - Friday
- Company Car
- Company Pension
- Employee mentoring programme
- Health & Wellbeing programme
- Life insurance
- Sick pay

### **Responsibilities**

- Undertake pre-commencement site surveys and facilitate early risk identification.
- Development of Construction Phase Plans
- Conduct regular audits and inspections to assess compliance with health, safety, quality, and environmental standards.
- Prepare detailed reports on findings from audits and inspections, highlighting areas for improvement.
- Conducting stand-down briefings
- Investigate incidents and accidents to identify root causes and recommend corrective actions.
- Accompanying Client Health & Safety tours
- Encouraging all employees and subcontractors to contribute to developing a safety culture throughout the business and on our sites.
- Assist teams with reviewing and advising upon workplace risk assessments for business operations and construction operations.

## **Requirements**

- Hold a NEBOSH General & ideally a NEBOSH Construction Certificate.
- Driving Licence
- Willing to travel to UK wide sites and where necessary overnight stays during busier periods on project delivery.
- Flexibility with supporting and undertaking audits for day and night shift projects.
